

Resort Lifestyle Communities is proud to announce our Celebrate Life Travel Program! As a Resident, you can travel around the globe, in your own back yard, or the yard of another RLC community. Any place you see yourself, we'll help you get there! Now that's a good reason to Celebrate Life!

Local Outings:

Each community Lifestyle Director is empowered to support your wishes, from outings to excursions. Please be sure to share your ideas about places you'd like to go in your own hometown, and our teammate will work to help make it happen. Each outing will be supported by the Community Managers with added assistance from our Home Office Support Team through your Lifestyle Director.

Community Travel:

We are proud of our exclusive RLC Community Travel package. Each Resort Lifestyle Community holds a guest suite for our residents' community-to-community travel. If you want to try your luck at the Vegas tables, or see yourself on a long Naples beach stroll, we can help make that dream a reality! Before you travel, check with your Lifestyle Director for the most current RLC locations map. If we have a community in that area, you are welcome to be our guest, at no charge, for up to five nights. When you arrive, we'll host you, just like you were at home in your community, because you are home. That means all meals and entertainment options are yours to enjoy. Connect with your Concierge to make arrangements, as all Guest Suites are first-come, first-served.

Travel Support:

If you do decide to travel to one of our communities, or any place for that matter, we have a travel agent standing by to help you with your flights, RLC Guest Suite stays, or any accommodations your travels might require. Please email or call:

Van Bloom Tour and Travel

Domestic Tour & Travel:

Each year, we will organize a trip offering you the opportunity to join other RLC Residents from across the country on a tour or travel experience. Specific details will be made available at least eight months in advance, so you can secure your spot and begin planning your travel.

International Tour & Travel:

If you have a more adventurous spirit, the Celebrate Life Travel Program will also offer a global package for community residents, family and accompanying friends each year. Details for the specific programs will be coordinated by your Lifestyle Director, through our travel partner Van Bloom. The annual global tour and travel location will also be promoted at least eight months prior to the travel dates, so you and other families can make reservations and begin planning the journey to fun!

For questions or ideas, please see your Lifestyle Director or Community Managers.
